Dear Mom & Dad,

We're having beautiful sunny weather and the leaves are rapidly turning color. It is the best time of year around here. The Goulds left Monday after a nice visit. On Sunday we drove to Ellipt City and saw our dining room furniture which will be delivered Saturday. Now we can have people over for dinner again.

Of course, Saturday is Race Day and we are getting prepared. Vickie is conditioned and ready to go. We hope the nice weather continues.

We all enjoyed Hello Dolly which relies entirely on Carol Channing. Tonight we're going to a Smithsonian lecture on a Gothic cathedral. Love
Jim & Vickie
